TEE OFF AGAINST BREAST CANCER!

All proceeds are given to the hospital to go toward the cost of the 3D mammography machine.

The McKenzie Health System Auxiliary is a continual source of support for McKenzie Health System (MHS). All proceeds from the Golf Scramble, as well as other fundraising efforts, are given back to the hospital to aid in the purchase of equipment.

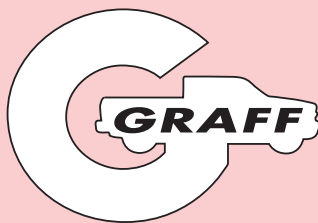

This year our goal is to raise funds to go toward the cost of the 3D Mammography machine which has brought a much needed service to our community.
