

Join us for **DIABETES COMPLICATIONS**

A seminar designed for diabetics and family members.

From the top of our head to the bottom of our feet to the tip of our toes.

Discover ways to manage diabetes with confidence and clarity at our upcoming Diabetes Seminar. Join us as we talk about issues that can come with diabetes and their potential complications. Empower yourself or your loved ones to live a fuller, healthier life. Don't miss this opportunity to gain valuable knowledge and connect with experts in the field. This seminar, which includes lunch, is brought to you courtesy of the Lions Club.
