

Experience a group exercise and fall prevention program that helps people at all levels of fitness become more active, energized, and empowered to sustain independent lives.

FOUR CLASSES IN ONE

- Strength training
- Flexibility
- Balance
- Aerobic and cardio

You work at your own pace: Your instructor demonstrates variations and modifications to the exercises, so you can find a level that is a perfect fit for you.

WHAT TO EXPECT

- A casual atmosphere
- The companionship of other older adults interested in improving their lives through exercise
- An energetic, certified instructor who leads the series of exercises

\$5.00 per class or Free to Seniors age 60+
