2016-2017 DIRECTORY OF SERVICES FOR SENIOR CITIZENS

Developed by the Sanilac Building Ties Committee

The primary mission of the Sanilac County Building Ties Committee is to identify priority needs of older adults in the community and to explore ways to cooperatively meet those needs through the establishment of interagency linkages and joint program development. New member agencies welcome.

Some of these programs include the annual Sanilac County Senior Fair, The Senior Prom, The Senior Writing Project, and The Senior Citizen of the Year.
