Dear Patient,

We would like to take this opportunity to thank you for allowing us to manage your healthcare needs. We also want to let you know that Physician Assistant Kim Curell, PA-C will be moving her practice to McKenzie's Croswell Clinic. She will be joining Dr. Matthew Gormley effective January 28th. As a patient of Kim's, you are welcome to continue seeing her in Croswell as your primary care provider; however we realize that this distance change may not serve your needs.

At this time, we are also proud to announce the addition of Megan Burgess, MSN, FNP-C, to the Rural Health Clinic. Megan brings with her 12 plus years of nursing experience and is excited to begin providing family healthcare for members of our community.

Below is a complete list of McKenzie family healthcare providers. Appointments can be scheduled by contacting each office directly.
